

Questions regarding RFP 0513

- Q. Under Section 3.2.4 Technical Minimum Qualifications, item 4 on page 10 states that the proposer must provide "At least three letters of interest from financial institutions or other private capital partners." Are these meant to be the business references stated in section 4.3.1 on page 14 i.e. "Vendors should provide a minimum of three (3) business references from similar projects performed for private, state and/or large local government clients within the last three (3) years." Please advise.
- A. These would be separate. If the banking institution or capital partner is also a reference, they can be one in the same. For example, they provide a reference, but also show interest in teaming up for another project.
- Q. I am unable to open/access the embedded Word documents on page 52 (Reference Questionnaire) and page 53 (Proposal Staff Resume).
- A. The imbedded documents are now posted to the website directly under the RFP.
